**J Douglas Overbeck MD, FACC Recognized Again with the
2010 Patients' Choice Award**

Irving, Texas (February 20, 2011) - Dr. Overbeck is honored to be a repeat recipient of the Patients' Choice physician award – 2008, 2009 and 2010.

Every month, more than 100,000 patients across the U.S. provide online feedback on Vitals.com about their experiences with their doctors. They rate various components such as bedside manner, doctor-patient face time, degree of follow-up, courtesy of office staff, and overall opinions.

While physicians generally receive positive reviews from their patients, only a select few receive uniformly rave reviews across the board. Those who have received rave reviews with near perfect scores by their patients are awarded this honor.

Dr. Overbeck has been in practice as an Interventional Cardiologist in the Irving/Las Colinas area for over 20 years. He is the founder of the Tuscan Cardiovascular Center in Las Colinas, an affiliate of Medical & Surgical Clinic of Irving. The center is committed to providing individualized care in a patient-friendly atmosphere. For more information regarding Tuscan Cardiovascular Center visit www.tuscancardio.com or call (972) 253-2505.
